Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art of record does not teach a power controller having a control processor which provides power to the load in a low flicker algorithm form and which is also responsive to a line voltage threshold signal in the power switching to the load .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark H Paschall whose telephone number is 703 308-1642. The examiner can normally be reached on 7am - 3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on 703 . The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
